Ministering to children through foster care and adoption

Why should I consider becoming a foster or adoptive parent?

Foster parenting and adoption provide opportunities for ministry right in your own home. You can make a life-saving difference in the life of a child. As Christians, we need to get involved. Your home could offer hope to children who have been abused and neglected. "For in you the fatherless find compassion." Hosea 14:3

Who can be Covenant Kids foster or adoptive parents?
